

*proudly presents a
Technical Seminar on*

“ASEAN NCAP: Towards Autonomous”

Honourable Guest

YBhg. Tan Sri Datuk Sri Lee Lam Thye
Chairman, Malaysian Institute of Road Safety Research (MIROS)

Date: December 19th, 2017 (Tuesday)
Time: 8.30 am – 5.00 pm
Venue: MIROS Hall, Kajang, Selangor, Malaysia.
Price: Free of Charge,
“Limited to 60 participants only”
Address: ASEAN NCAP, C/O MIROS, GF, LOT 127, Jalan TKS 1,
Taman Kajang Sentral, 43000, Kajang, Selangor, Malaysia.

ASEAN NCAP: Towards Autonomous seminar aims to bring together leading government agencies, industries together with academicians, researchers and scholars in the field of automotive engineering. The seminar will be a platform to exchange and share their experiences and research results about all aspects of autonomous development in Malaysia.

The Towards Autonomous seminar also functions as an interdisciplinary forum for those involved to present and discuss their most recent innovations, the current trend as well as concerns and challenges encountered in the field of autonomous and what are the solutions they have adopted to overcome such obstacles.

In conjunction with this event, ASEAN NCAP will be announcing its new results for four (4) cars. Furthermore, ASEAN NCAP is also launching its research programme called ASEAN NCAP Collaborative Holistic Research (ANCHOR) as one of the efforts to encourage ground breaking development based on concrete-evidence-research.

Participants will be able to experience Level 2 Autonomous Technology i.e. Autonomous Emergency Braking technology demonstration from the newly launched Perodua Myvi.

Closing registration date: December 10th, 2017

PROGRAMME

08.30 am	Registration	1.00 pm	Lunch
09.15 am	Opening Speech by MIROS, VIRES & ASEAN NCAP.	2.00 pm	Presentation from Industries (NISSAN etc)
